Bulk Asian Spice Pastes

Made in Asia by Asian food experts, Asian Home Gourmet Spice Pastes are made from fresh herbs and spices which have been locally sourced, then washed, diced and crushed according to traditional Asian recipes and stir-fried to release their aromatic oils and flavours. The spice pastes are then vacuum-sealed for freshness and packed in convenient resealable tubs ideal for the foodservice market.

These easy-to-use spice pastes are ideal for a wide variety of cooking methods and styles from curries, stir fries and soups to marinades and more. Asian Home Gourmet Spice Pastes are gluten free and contain no added MSG, added preservatives or artificial colours.
